VIBE BUDAPEST

WINE, CHAMPAGNE & SAKE SELECTION

At Vibe Budapest, every drink is part of the story we create around sharing, discovery, and connection.

Our curated list brings together the best of Hungarian terroirs, handpicked international labels, an exceptional Champagne cellar, and a refined selection of premium sake. Each bottle is chosen to complement our vibrant dishes and inspire conversation at the table.

From crisp, mineral-driven whites of Tokaj and Somló to elegant reds from Villány and Szekszárd, our Hungarian wines highlight the richness of local terroirs. Natural and low-intervention bottles add a touch of curiosity and exploration.

Our Champagne cellar is the heart of celebration at Vibe – showcasing grower-producers, prestigious houses, and rare vintages. Whether you're toasting a special moment or elevating a casual night out, our Champagne selection offers something truly unforgettable.

For those seeking something different, our sake range highlights both classic and modern expressions, with delicate, umami-rich profiles that bring a new dimension to pairing.

Whether it's a glass, a bottle, or a discovery you'll want to share, our list is designed to flow with the energy of the night – vibrant, diverse, and always in tune with the Vibe.
